Alpha Phi Alpha Fraternity, Inc.

**PURPOSE, PASSION, AND COMMITMENT
TO YOUTH AND COMMUNITY**

OUR PURPOSE

Based in Reston, Virginia, the Joyce-Gillespie-Harrington Educational & Charitable Foundation, Inc. is a non-profit 501(c)(3) entity named in memory of three community leaders dedicated to the ideals of "Scholarship, Community Service and Love for all Mankind." Established in 2005 to generate scholarship funds to support college-bound students, the foundation provides financial support for the education initiatives developed by the Zeta Upsilon Lambda Chapter of Alpha Phi Alpha Fraternity, Incorporated.

OUR PASSION

The Foundation works to provide educational opportunities and financial assistance for youth facing financial challenges in Northern Virginia and Washington, D.C. Metropolitan area. Through educational programs and mentoring, we actively encourage young students to prioritize their schooling and we help prepare them to "Go to High School, Go to College."

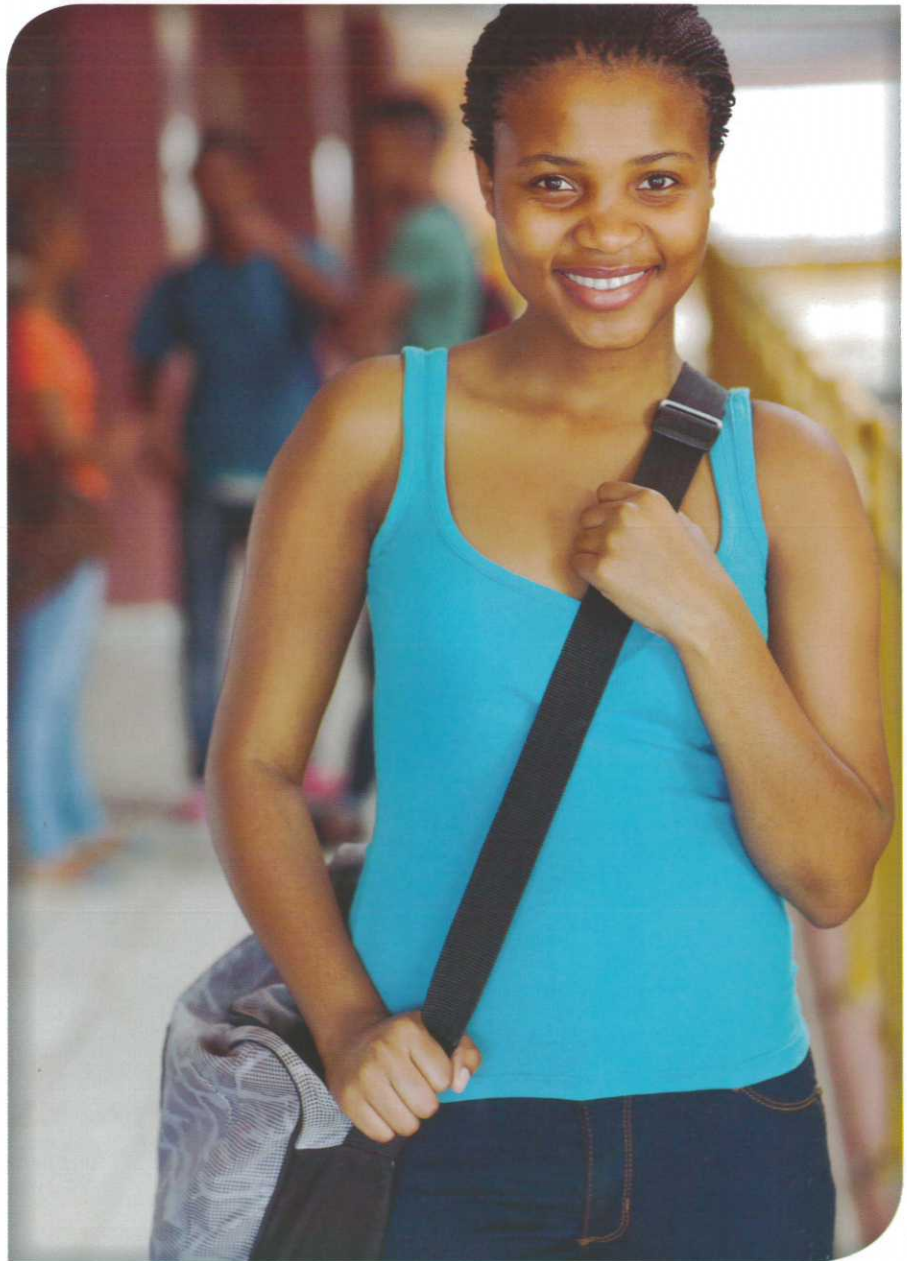

The annual Academic Achievement and Scholarship Awards program awards certificates of

achievement and other awards to students in grades 7 through 12 who achieved high grade point averages. Deserving seniors who best exemplify the spirit and goals of the foundation receive monetary scholarships upon graduation.

The Paul Robeson Saturday Leadership Academy, in partnership with George Mason University (GMU) and the GMU African and African-American Studies Program, is a rigorous four week long academic, social enrichment, and self-empowering program for students in grades 7 through 9 held two times a year. It focuses on Science, Technology, Engineering and Mathematics (STEM), Robotics, Mentoring, and Cultural and Diversity Sensitivity.

The Foundation also provides student sponsorships for the Leadership Development Institute (LDI), which focuses on developing future leaders, and donates funds to other outside community organizations whose focus is on the future academic successes of elementary school-age children.

YOUR COMMITMENT

We are committed to the community's future - our youth. With encouragement, academic programs, and financial support, we can help guide students successfully through their academic career and into college. These goals are worthy and our passion and love for this community knows no bounds. However, we greatly need your assistance to reach our goals, which include advancing education access and academic success for students in our area. Please team up with the Joyce-Gillespie-Harrington Educational & Charitable Foundation, Inc. to support our various educational programs and make a notable difference in many young lives, as well as within your own community.
